UAF School of Management & Health Services

SOM Retains Prestigious Accreditation

by Maria Gi...

... "We are
... back to the top of the mountain."
... UAF School of Management & Health Services received a \$25,000 award from the Association to Advance Collegiate Schools of Business International (AACSB) for its achievement in retaining its accreditation for the MBA degree program. This is the first time the school has received this honor since 1981.
... "The school's success is a result of the dedication and hard work of the faculty and staff," said Dean David D. LaRocca. "We are proud to be recognized for our commitment to excellence in education and service to our students and the community."
