

Winter safety tips

Winter Driving

- x Check weather reports or travel advisories prior to departure (511.Alaska.gov). LEAVE EARLY to avoid rushing
- x SEE AND BE SEEN Completely clear all windows (GO TIP) DOWN Stopping

distance. During wint

- x Use extra caution exiting and entering your car. Parking lots have the highest slip and fall incidents.
- x Wear traction -soled shoes, boots, or ice cleats. If sidewalks are icy, walk in the grass for better traction if possible. Ice cleats are available at EHSRM
- x Allow more time! Being in a rush increases your chance of slipping and falling
