**JUSTIFICATION FOR ACTION REQUESTED**

The purpose of the proposed curriculum change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address the following questions: This action is needed to... course, is it because the material is covered elsewhere? If so, which courses are needed to fully... the proposed change and... complete as a program.

Teacher education programs are elementary where's more efficient, pertinent knowledge and skills in the areas... and that they have clearly defined course work... to successfully teach and develop... in multiple content areas

UAF elementary teacher education... and requirements... year. As an artifact of the process of development of the original PAE degree, the number of hours that interns spend in their elementary classroom placements... been accurately reflected in the course credit allocation.

If it is important that these requirements be accurate, the following is the reason:

External agencies (public... teacher education students have dedicated coursework and internship requirements to prepare them to teach reading, writing, math, science, PE/Health and the Arts. This evidence needs to be reflected more accurately on our program requirements... courses so that the content of the courses is more clearly evident to reviewers.
