

December 24, 2014.

The Curriculum Review Committee of the State of New Jersey is pleased to announce the following:

REVISIONS TO THE STATE CURRICULAR STANDARDS

For the State of New Jersey

2014

The following revisions to the State Curricular Standards for the State of New Jersey are being implemented in the 2014-2015 school year. These revisions are based on the recommendations of the Curriculum Review Committee and the State Board of Education. The revisions are intended to improve the quality of the standards and to ensure that they are aligned with the most current research and best practices in the field of education. The revisions are as follows:

1. The standards for the State of New Jersey are being revised to reflect the most current research and best practices in the field of education.

2. The standards for the State of New Jersey are being revised to ensure that they are aligned with the most current research and best practices in the field of education.

3. The standards for the State of New Jersey are being revised to ensure that they are aligned with the most current research and best practices in the field of education.

4. The standards for the State of New Jersey are being revised to ensure that they are aligned with the most current research and best practices in the field of education.
