

The IAB Board has approved the purchase of a new computer system for the IAB Board (Kavonare section).

RESOLUTION:

WHEREAS research, service, and other activities conducted in the external affairs and contracts

of the IAB Board have been conducted in a manner which has been satisfactory to the Board and the IAB Board has approved the purchase of a new computer system for the IAB Board (Kavonare section).

Ideally, Principals Investigative Services should be used in conjunction with the program. For more information, please contact the IIAE office at (408) 452-2222.
