
STAFF REPORT

TO: FACULTY SENATE
FROM: ROB DUKE, ASSISTANT PROFESSOR, JUSTICE
SUBJECT: NEW JUSTICE MINOR
DATE: APRIL 11, 2013
CC:

Dear Faculty Senate:

The Justice Department has been working for several years to align our model of justice education with a

Time Sensitivity:

As the Justice Department processed the new Minor, we also offered Special Tonic Courses

in the summer courses. The problem arises because several students have been taking these

classes with the understanding that the minor would be approved by the time they needed to graduate. Two students schedule to graduate in May are waiting for this approval in order to have the Dispute Resolution minor on their transcripts.
