Evaluation and Grading:

This course will be letter graded. Participants are expected to attend and actively participate in all sessions of this course. Participants will be assessed based upon practical application of skills and demonstration of course objectives.

Effective Participation and Leadership (20%): Active participation during the entire 3-day session is required to pass this course. Students are expected to actively participate in all group discussions, and demonstrate leadership ability.

In-class Exercise and Demonstration of Skills (50%): Participants are required to participate in all exercises and to demonstrate application of course objectives.

Course Notebook/Journal (30%): Participants are required to keep a course notebook for the session. The course notebook should include notes on the presentations and reflections on how the information presented could affect the students' village. Students are expected to reflect on each Student Learning Outcome for the course in separate Journal entries. The notebook will be presented to the instructor at the end of the workshop, and then returned to the student.
