HONR 383 "Honors Capstone Seminar" (1 credit) Offered in Spring.

The single greatest part of the Honors education at UAF is the student's capstone project, which uniquely defines them as a scholar. In recognition of the value of the capstone project, and to support each student's goal to successfully complete their capstone project, the sequence of Honors Capstone courses are required of Honors students during their last two years of study. This course is the last in the sequence. Students in this course will present their work to an audience of their peers, and practice the skills of posing substantive questions to speakers outside their own fields. Open only to Honors students; required of all fourth-year Honors students.
