Courses with suffixes O or W meet upper division writing intensive or oral communication intensive course requirements for the baccalaureate core FOR STUDENTS UNDER CATALOGS PRIOR TO FALL 2016

And page 249, under Course Credits:

O—Oral Communication Intensive Course

W—Writing Intensive Course

Courses meeting upper division writing and oral communication intensive requirements for the baccalaureate core are identified in the course description section of the catalog with the suffixes O and W FOR STUDENTS UNDER CATALOGS PRIOR TO FALL 2016

Two courses designated O/2 are required to complete the oral communication intensive requirement.

The committee discussed the draft motion at length. Doug G. reported that Dean's Council reception to the idea that departments develop and assess individual Communications degree requirement plans was in the "positive - lukewarm" range. It had a similar reception at the CEM department chairs' meeting. Overall, the chairs liked the flexibility it allows. No major concerns were expressed by either group that Doug spoke with.

Most of the discussion centered around the rationale item #5 and how long Os and Ws will remain in place. Confusion for newer students might be lessened if the Os and Ws were removed in a shorter time-frame (say 2-3 years rather than 7) and the Registrar's Office could code them into DegreeWorks to handle students graduating under older catalogs. Other specific wording changes were suggested for #5. The committee agreed that 7 years could be reduced to "at least 3 years."

It was also agreed that a department does no harm if the status quo

plans. Brian will take these concerns and issues back to the Core Review Committee.

Item B (below) was postponed until the next meeting (March 23) due to time constraints.

B. Motion to replace PHC courses

DRAFT MOTION:

The Faculty Senate moves to replace the current Perspectives on the Human Condition (PHC) courses in the Core Curriculum with pre-approved lists of courses from which students can select to fulfill General Education Requirements in humanities, social sciences, and the arts. This change will go towards fulfilling Learning Outcome 1 of the learning outcomes adopted by Faculty Senate in 2011: Build knowledge of Human Institutions, Social Processes, and
