

Curricular Affairs Committee  
Meeting Minutes for March 2, 2016, 12:00 pm DRAFT

The categorization of History as a humanities at UAA, and as a social science, ~~and its~~ effect on transfer credit between the three universities ~~was discussed at length~~. Depending upon how one reads the UA regulation, it ~~can~~ actually fit into either category. The History Department is opposed to their courses being classified as humanities courses.

Jennie will meet with the Core Review Committee tomorrow and discuss the ~~course~~ approval guide and their role in the process of implementation. ~~At~~ that, she'll be able to share the guide with the departments.

The committee recapped the concerns that had been mentioned last semester concerning the long absences of students due to traveling great distances to complete Sheppard will be invited to a future meeting to answer questions. Charlie Hill was also mentioned as someone who knows the NCAA rules. After meeting with them, the committee can decide on any potential actions for the Senate to consider.

The Library Sciences discussion is coming up. Representatives from the Library will attend the March 30 meeting.
