

Overview:

Bristol Bay Campus designs educational opportunities in partnership with regional entities and communities to empower residents and address economic development. The Environmental Studies (ENVI) certificate will not specifically train a student for one career path but will teach the students a universal skill set that will be used for a broad range of careers. These skills

obtained by an ENVI certificate holder will then serve as a foundation for any realm of

skills will not only give employers an opportunity to hire locally for technician work that is

This program will help empower graduates and their communities to adapt to the overwhelming social, ecological, and economic changes presently occurring while protecting and enriching local culture.

The ENVI certificate is a 34-36 credit program and is offered through the UAF BBC of the CRCD and will be a stepping-stone for students pursuing a science-related associate or

baccalaureate program.

Objectives:

a) Objectives

- To expose the students to a broad-based environmental studies background
