Issues to Highlight

Cpin

—

Deluxe health care plan attracts those who have the most need for service. Premiums are not covering costs. M Humphrey expects rates will continue to rise on deluxe plan until it becomes price prohibitive.

New CD for Employees on benefits.

Training

Access to Skill soft training has been approved for volunteers and employees in layoff status.

Student Wages discussion (See Council note)

Discussion regarding the need for conduction reference checks when considering hiring an employee previously employed at the university.

TOAD- replacement for data browser, HR staff is receiving training

Cell phone policy

Proposed draft cell phone policy needed to comply with IRS standards and to determine who authorizes cell phone allowances. Discussion on implementation and who approves. Action postponed until November meeting.

Exhibit

This committee is meeting regularly working on developing a consistent performance evaluation tool to be used throughout UA

University of Alaska

ITEC Discovery Proposal for

Electronic Timesheets – Web Time Entry Using Banner Employee Self-Service (UA Online)

EXECUTIVE SUMMARY

This proposal explores the risks, resources, costs, impacts and collaborations necessary to implement the existing web-time entry module in Banner. Web time-entry has been available in Banner since 2004 through Banner Employee Self Service (BESS) which powers UA Online and is part of our current Banner package. This proposal recommends implementing web time entry with a control group, such as MAU Administrative Services divisions, before implementing system-wide. This proposal is promulgated by UAF Vice-Chancellor for Administrative Services Pat Pitney.

Purpose

Please provide a clear purpose statement in a brief form. Refer to guidelines document for the evaluation criteria of proposals.

What will this project do for the university?

What are the intended outcomes of this project?

What are the existing problems that will be mitigated by this project?

What is the planned discovery phase completion date?

What is the planned project initiation date?

Strategic Plan Alignment

- How does this project align with the following:*
- UA and MAU Strategic Goals*
- State Needs*
- Educational Programs*
- Technology & Facilities*
- Students*
- Research*
- Faculty & Staff*
- Alignment with Business Processes and IT*

Risk

Consider risk associated with doing the project and not doing the project.
