Issues to Highlight

FY11 Budget –

The legislature is considering the operating budget for FY11. This budget as proposed includes staff salary increases of 3%.

Healthcare

The Joint Health Care Committee (JHCC) consists of both Union and management representatives. One of the management representatives is a member of staff alliance. The committee is tasked with looking at the University's health care plan and making recommendations to administration. The University recently had an outside consultant by the name of Fall River Consulting Group take a look at the University's health care plan and make recommendations. The final recommendations from Fall River and JHCC have been adopted. The final recommendations can be found at the following link:
