The Real Story?

weight was lifted from his shoulders after one year of enduring what was one of the most painful experiences of his life ±not recovering from hip surgery, but recovering from the surprise **\$19,000 bill** he received after it.

Bounced between different hospital departments, staff members, and even a stack of bills was ridiculous and no one was one year before his insurance company turned **How Does Patient Care work?**

He found out right away when a Patient Care Advocate, Sally, called him, asked him a few questions, and told him she would get back to him soon. Within one month, Sally had resolved to the hospital for his in-patient hip surgery.

I felt like someone was finally standing up for me ±they took everything off
